

EAST HENDRED *Bulletin*

What's on? email service

We've all been to - or even run - events in the village and met people afterwards who've said 'I'd have come, if only I'd known'. But what's the best way to publicise village events? Posters are expensive, and often get torn down. Leafleting needs manpower. Most of us drive straight past the village noticeboards. Even the *Bulletin* only comes out a few times a year!

Fortunately in the 21st century we have a new system at our disposal: email. Sign up for a weekly email message that will tell you what's on in East Hendred by simply sending an email to events@hendred.org.

Similarly, if you're organising an event and would like people in the village to know about it, send the details to the same address: events@hendred.org. We aim to send the weekly email out on Thursdays.

Your email address will be kept private. It won't be used for any other purpose and won't be seen by anyone else on the mailing list. So sign up today! Our list is growing fast, and the more people take part, the more useful the service will be.

Let's make 'If only I'd known...' a thing of the past.

The *Bulletin* Online

The *Bulletin* is available online at www.hendred.org.

Local Reservoir Update

Thames Water has recently completed three years of study and issued their Stage 1 report concerning the proposed reservoir, which has been part of a series of exhibitions in this area. This report explains the factors that affect the local demand for water and considers ways in which the public can try and reduce the amount of water used. The report also addresses their efforts into leakage control. It then identifies what the remaining need for water will be and compares ways in which Thames Water can supply this need securely in the future. Finally it draws conclusions and identifies what the

company believes will be the best way forward. It concludes that two parts of the Thames Water supply area will not have enough water within the next 25 years. These are London and the Swindon and Oxfordshire area.

The report notes that a dual purpose reservoir is the best option, serving Oxford and Swindon by direct supply and also supplying London by releasing stored water back into the Thames. Thames Water have concluded that the site south west of Abingdon, which has been under review for some time, is the best one for this purpose. Thames Water are

requesting comments on their plans. Further exhibitions will begin early next year (Stage 2), where they will be outlining the initial designs for the reservoir. They will be asking for ideas on how the reservoir might look, and what recreational facilities might be available, such as sailing, fishing or how wildlife might be encouraged.

The Parish Council is keeping a close watch on the proposals and is a member of RAP (Reservoir Affected Parishes). Copies of the Thames Water reports relating to the reservoir are on their web site (www.thameswater.co.uk).

The Parish Plan - Your Input is Vital!

Development of the Parish Plan is moving along, with a target for publication of March 2007.

The plan is intended to reflect the views of the whole population of East Hendred Parish as to how the parish should develop in the next 10 to 15 years.

We have had stalls at the May fete and the Family Show to give people chances to find out

more and to encourage them to put forward their opinions.

Input from everyone in the parish is important, and a questionnaire has been delivered to every household to get as wide a range of ideas as possible. **Please fill in your copy on behalf of your household.**

The questionnaire provides an easy way to put your ideas

forward - please take full advantage!

TAKE PART! Completed questionnaires were collected on 21st and 22nd October where possible.

If you still have yours, please complete it and drop it off at Hendred Stores, where spare blank copies are available if needed. A large number of households have already responded - **have your say!**

Youth Club - Every Wednesday Evening

A Youth Club was formed again for the Village in April this year, after almost 20 years. The Club meets every Wednesday (7 - 9.30 pm) at Snell's Hall. Entry is just £1 per session, with outdoor activities when possible, and indoor games and refreshments (pay 'bar').

We are keen to build on our success and develop the Club further, with new activities to increase the appeal.

We'd also like to find a temporary, then permanent building in or around the Village.

Your help is needed to create a more stimulating and vibrant Club with ideas and more volunteers.

If you would like to help to foster the village's young people, don't wait, get in touch today!

from the chair

Next year there will be elections for parish councils around the country, including of course East Hendred. I hope that there will be a number of people in the village prepared to stand as councillors. Although the job carries responsibilities and of course there is a time commitment, it is important that we have an active Council with good representations from the villagers.

By the time of these elections next year we hope the new Parish Plan for East Hendred will be in place. A questionnaire has been drafted and is has been delivered to all

households in early October. It is very important that as many households as possible take the opportunity to complete the questionnaire and return it. This is your opportunity to influence the future of this village for the next 10-15 years. All households will receive a summary of the Parish Plan in due course. We are grateful to the Oxfordshire Rural Community Council for their help in preparing this questionnaire and hopefully for a grant towards the costs of preparing the Plan.

We welcome our new Parish Clerk, Terry Cox, who took over for the September meeting. We wish to thank Bill and Barbara Falkenau for their work as Clerk for the past year. Unfortunately Bill had to give up the post because of lack of

time due to his many other commitments, including being Town Clerk for Wantage. Nevertheless Bill introduced more rigorous procedures, both financial and procedural for the administration of our Council for which we are very grateful.

We are very pleased that Richard Waller has agreed to take on the role as editor of this Bulletin. The Bulletin is widely appreciated and it is important that it continues to be produced as it is valued by many individuals and groups in the village.

East Hendred is faced with several expected changes to its local environment. Of recent note is that the Thames Water reservoir moves a step closer. Although it would not directly affect this parish the planned size of the reservoir (4 x area of

the Farmoor reservoir) would mean we will have very large body of water close to the village. The effect on the local road infrastructure both during its construction and operation, has yet to be established, particularly if significant leisure facilities such as sailing are to be part of the finished project. The Parish Council is watching with care the planning for the development of the reservoir and making sure that Thames Water is aware of local issues and concerns. It is important too that villagers take the opportunity to appraise themselves of this planned development through the Thames Water web site and by attending local exhibitions (the next one is planned for early 2007).

John Sharp, Chairman

Oxfordshire Best Kept Village Competition 2006: Judges' Report on East Hendred

“Your village made a very favourable impression on us.

Most of the public areas were very well kept. Virtually the only exception to this was the car park and vicinity of the pavilion at the sports field, where there was some litter and a few missing slats in the fence. The play park there was excellent, with very imaginative equipment of high child appeal, and the maintenance of the sports field itself and the sightscreens was first class. The same was true of the Penney Play Park.

While there was no special reference in the application to conservation, the general

management of areas such as churchyard and burial grounds, footpaths and verges suggested a sensitivity to the principals of conservation. We noticed one large colony of Coltsfoot, for example, which must have been a bright splash of yellow earlier in the year.

For its size, the village has a good number of public buildings. The two churches, two schools, the museum, Snells Hall and their surroundings were in good shape. Seats were in excellent order and one, Jenkin's Memorial Seat, of a particularly attractive design. Bins are wisely placed nearby. Allotments were in productive

use. Most private houses and gardens were good, but a few somewhat neglected.

Clearly there is much effort on the part of the Community here, as evidenced by the state of the village and the information on the excellent village website.

WAR MEMORIAL

The structure of the memorial was in good condition and the lettering clear and legible. Lichen was present and added to the attractiveness of the memorial.

The little flower bed was attractively planted but needed some weeding and dead-heading.”

Note: Although the village was not in the winning category this year the above report is favourable and possibly better than last year's when we were placed third in the Medium class! The winner in the medium class this year was Clanfield with East Hagbourne as the runner-up. Overall there were 36 entries in all classes.

New Parish Council Clerk

The new Clerk is Terry Cox, who can be contacted on easthendredclerk@btconnect.com or by phone on 01235 765 760.

East Hendred Parish Council Rights of Way Working

Oxfordshire County Council has recently published a revised Definitive Map of the Rights of Way. It is not totally up to date and not totally correct but it does reinforce the network. Nothing has fundamentally changed.

The hot topic at the moment is that Hendred Estate has

moved a permitted bridleway after consultation with Oxfordshire County Council and the Parish Council.

Hopefully villagers and visitors are finding the new map outside the Village Shop of use.

The Rights of Way working group is about to see what can be done to improve the existing network and would welcome your views on the routes which you use. Please make your views known via the Parish Council.

New Editor for the Bulletin

We are very pleased that Richard Waller has agreed to take on the editing of this Bulletin. We are grateful for his expertise and time in continuing the production of the village bulletin. He can be contacted on 833742 or e-mail bulletin@hendred.org

UKAEA Harwell Consultation: High Volume Low Level Radioactive (HVLA)

UKAEA Harwell has been consulting stakeholders on the disposal of HVLA waste from the Harwell site when it is finally decommissioned. This waste is in the form of bricks, concrete, metal and contaminated soil. It is expected that there will be large quantities of this, up to 100,000 tonnes (~5000 lorry loads). The level of activity is very low but sufficient to prevent the waste being disposed of through normal routes. A first consultation document was

issued in March 2006 with a range of options for disposal. East Hendred Parish Council responded to the questionnaire associated with this document. As a result of the feedback from stakeholders UKAEA Harwell has produced a follow-up report which identified the preferred options for disposal. Not surprising a major issue was identified as the problem of transporting it off the site. The current recommended option is for a near surface fully engineered facility to be

located on the existing Harwell site, which will probably be within the East Hendred parish. It will need to be large, estimated to be 150m x 50m in extent. At a recent meeting of the Harwell-Chilton Stakeholders group we established that the expected lifetime of the disposal facility was several thousand years, because of the very long half-life of the materials being disposed of.

A discussion is being set up with representatives from UKAEA Harwell to see what effect this planned facility would have on the parish if it goes ahead. We are assured that any facility would have to receive approval from the Environment Agency and other relevant bodies. Nevertheless the very long timescale does raise issues about future monitoring and ownership, which we will explore with UKAEA Harwell.

UKAEA Harwell: End State following decommissioning

The Nuclear Decommissioning Authority was set up in 2003 to be responsible for the decommissioning of all 20 of the UK nuclear sites, including UKAEA Harwell. The end-state of each site is now under consideration and is defined as "the physical condition of the site at which the NDA has finished its business". In a previous Bulletin (No.105) we explained the planned timescale for this decommissioning with completion by 2025. We stated that one of the difficulties in achieving this would be the availability of a national store for intermediate level waste by 2015.

A small working party (WP) has been set up with representatives from Chilton, Harwell and East Hendred Parish Councils, together with other members including our District Councillor to review the end state and other issues, and make recommendations to the Harwell-Chilton Local Stakeholders group (LSG) which meets four times a year. (East Hendred Parish Council is also represented on this group).

The WP has recommended that "The LSG's choice should be for 100% clean up with all nuclear wastes completely removed off site by 2020. No licensed nuclear businesses to

be on site and no need for Nuclear Installations Inspectorate (NII) involvement after this date." This was discussed initially at the last LSG meeting (July) but is to be further considered at the next meeting in November.

The proposed "end-state" recommendation includes a more rapid clean-up than originally planned (by 2020). It is expected that the site when delicensed and the clean-up is complete will be released for redevelopment for science, technology and innovation uses as part of the campus.

Two issues that could affect this "end-state" being fully

achieved are the final decision on the option for long term storage of High Volume Low Level (HVLA) radioactive waste. A separate article on this appears elsewhere in this Bulletin. A second issue is the availability of a national store for intermediate level waste before 2020, as noted above.

The Parish Council would welcome comments on this recommendation and its affects on the parish. Please send comments to Dr. John Sharp (01235 83367 or parishcouncil@hendred.org).

Dr Sharp is the Parish Council representative on the LSG.

News from the Post Office

From August 21st The Post Office made changes to the way the mail is charged. Now the size of a letter is taken into consideration as well as the weight. There is no change to the cost of ordinary size letters – those less than 9 x 6 inches and less than ¼ inch thick; the cost is still 32p for first and 23p for second class. The maximum weight for these letters has increased from 60gm to 100gm; nearly 3½ oz., which means your Xmas cards may now be cheaper to send. However if, for example, you want to send a special card which is thicker than the allowed ¼ inch, you will be charged large letter rate. This rate also applies to all A4 size envelopes and is 44p first and 37p second class up to 100gm.

Larger mail is classed as packets; they can still go as first or second class mail but with an extra charge. Larger items can go parcel post, which is a little slower but costs less, and for a small extra sum you can insure your items.

Every household should have received a Post Office guide to these changes, but if not you may pick one up at the Post Office / Village shop.

Hendreds Twinning Group

The visit from Sarceaux at the beginning of July was voted a great success, with the highlight of the weekend being a whole-day trip to London including a ride on the London Eye and a river boat trip on the Thames. A barn dance and a meal on the Saturday evening was also appreciated by both the hosts and our French visitors.

We are looking forward to our visit to Sarceaux next July, for the celebration of the 10th. anniversary of the signing of the Twinning Charter between East and West Hendred and

Sarceaux, which is to be held over the week-end of July 7-9th.

Several social and fund raising events are planned for the Autumn and Winter. These include a quiz and a pot luck supper with a speaker – watch out for more details

New Village Webmaster

Charles Pappenheim has very kindly agreed to take on the role of *webmaster* for the village website. He can be contacted via email at webmaster@hendred.org

St Augustine's

Remembrance Sunday falls this year on 12th November when as usual there will be a ceremony at the war memorial (outside Champs Chapel) starting just before 11am. The morning service at St Augustine's that day will start at 9:45am.

We're still counting up the money from the sponsored 'Ride or Stride' in aid of the Historic Churches Trust, but this year we fielded three teams who between them visited over 50 churches. Everyone who took part enjoyed themselves on an ideal cycling day. Thanks to all who supported this event.

If you're at home during the day, then give yourself a break and come to a coffee morning in aid of Save the Children at Hines Cottage, Horn Lane from 10:30am on Wednesday 8 November, or for tea and cakes at Peeler's Cottage, Chapel

Square, from 2:30pm on Wednesday 22 November. Everyone's invited, and the cakes are fantastic.

We're also holding a Silent Auction in aid of church funds, in Snells Hall on the evening of Saturday 18 November. This is an opportunity to recycle former treasures and acquire new ones at knock-down prices - if your competitive spirit is strong enough to beat off the other bidders! Tickets (which include supper) from Jill (833291) - call the same number if you have items to donate to the auction. Call Jill too for tickets to a traditional Burns Night with all the trimmings, again in Snells Hall, on Saturday 20 January 2007.

If you're after something more serious, a Study Group meets once a month on Wednesday mornings to share ideas on the broad topic of 'Worship'. Call

the Rector (833235) for more information.

There's also a full programme of events using St Augustine's as a venue. In the last month we have hosted a concert organised by Springline Arts and the first of this winter's Penney Lecture series. The second will be rather different, a debate about 'Crime and Punishment', led by speakers from the local magistrates' association and probation service. What's your view of the sentencing system? Too lax, or too harsh? Come and have your say. It's on Friday 24 November at 7:30pm in St Augustine's church - tickets on the door. Look out for posters advertising further Penney Lectures in the new year. In February we will hear what's happening in the Falkland Islands, 25 years after the conflict; and on Friday 16 March you can find out more

about roses from Mr Harkness himself.

As well as Christmas services in the churches, this year there will be Christmas carols and readings in Snells Hall for everyone in the village on Friday 22 December. More details nearer the time, but we hope to include as many village organisations as we can.

And finally, the 'fifth Sunday' services for the rest of this year, when the whole Benefice comes together for Sunday morning worship, will be at Ardington on 29 October and here in East Hendred on 31 December, when we'll be serving mince pies afterwards. The times of all our services are on the church noticeboards and on the website www.acny.org.uk/4745/

FOSTA

Friends of St Augustine's

You're not a regular church attender but you rather like having a wonderful old church in your village. It's nice to show to visitors. Maybe your children were christened there and perhaps they'll want to get married there. In times of stress you might go there for an interlude of peace and tranquillity. You'd be sorry if the church closed - it's one of

the things that makes East Hendred such a good place to live.

If you recognise yourself in any of the above, then watch out for a letter from FOSTA coming through your letterbox soon. We're looking for Friends Of St Augustine's to play a part in maintaining the fabric of the church for future generations.

Bridleway Route Ploughed Up

As announced in the Summer 2006 Bulletin, the Hendred Estate has ploughed up the original route of the bridleway from The Lynch to the Icknield Way.

The original route has been in use for as long as anyone can remember, and appears on the First Edition of the Ordnance Survey map, dated 1877. With the encouragement of many villagers, I have claimed the original route as a public right of way. The reason I made this claim is that the replacement route, being new, could be closed by the Estate at any time and we would have no legal basis for objection. A route can be claimed as a public right of way if it has been used by the public without interruption for 20 years.

The claim included 25 witness statements, almost all from people who have been using the route without interference since the 1960's or, in a few cases, the 1940's.

Unfortunately, because of shortage of staff at the OCC Rights of Way Office, claims like this take years to process.

Part of the now-ploughed bridleway is in fact a public right of way (officially, a Byway Open to All Traffic). As such it is not lawful to plough it up and the estate has undertaken to reinstate this section.

I would like to thank all those who have supported the claim so far. Anyone who would like to contact me about this is welcome to do so - tel 835014.

Charles Pappenheim.

Village Computer College Snells Hall, East Hendred

New classes planned for Autumn 2006 with special introductory offers!

- **Computing for Beginners:** Five 2 hour lessons, £40, over 5 weeks
- **Word Processing:** Five 2 hour lessons, £40, over 5 weeks
- **Email and the Internet:** Five 2 hour lessons, £40, over 5 weeks

Tutor for all three courses: Pauline Gardner

Small classes, friendly environment, easy parking!

Contact Margaret Sharp (833367) or Pauline Gardner (833319) for details of times of classes.

Hendred Family Show Wins Battle with The Elements!

The twelfth Hendreds' Family Show on Sunday 3rd September proved to be the biggest test yet for the show organisers as they battled against driving rain and gusty winds to keep the main

Roast and various stalls and displays (including 455 show entries in the Exhibition marquee, Dog Agility, Austin 10s, Owls, vintage tractors, marshal arts and police vehicles).

A table full of Hedgehogs !

Exhibition Marquee pegged down throughout the week-end.

Following the feedback received after last year's show, the

And an edible one...!

marquee was re-located from the lower end of the Park to higher ground to centralise the main attractions but this left marquees exposed to the worst weather experienced in the show's history.

Once the weather improved on Show day, we welcomed many visitors who were able to enjoy the Horse Show, Dog Show, Pig

Vintage Tractors on display in the sunshine

A beautiful vegetable basket

A magnificent Rose Bowl on display in the marquee

Congratulations to all winners in the Horse and Dog shows and thank you to everyone involved in the organisation of those events.

Dazzling Dahlias lined up for judging

Hendred Family Show - Prizes

Winners and Trophies

- David Atkins:** Royal Horticultural Society's Banksian Medal, Hendred Family Show Top Tray, Dave McDowell Cup, Wheatsheaf Cup, Pill Family Shield, David McDowell Memorial Cup, Eyston Arms Cup, R & M Pest Control Trophy (Most overall points)
- Julia Cottee:** Edwin Cottee Memorial Cup, Tudor Joinery Rose Bowl, Bill Ballard Memorial Shield, AEA Cup, Speckled Hen Cup, Tom Riggs Shield
- Ben Harrington:** Plough Cup
- Libby Holderness:** Mrs Knibbs plate
- Linda Harris and Avis Atkins shared:** Hendreds' Family Show Cookery Plate
- Michael Kerswell:** Hendred Stores Plate
- Fred Day:** Harris Family Cup;
- Margaret Day:** Hare Cup
- Philip Childs:** R&M Pest Control Tankard
- The Bird Family:** The Clearwater Shield for the Family with the most points.
- Mrs Sue Mulford:** The East Hendred Parish Council's Millennium Cup
- Hattie Young and Karen Harrington shared:** Chairman's Trophy

Children's Classes

- Megan Bird:** The Mrs John Beary Cup for Young Gardeners *and the* Peter Waite Cup.
- Eleanor Lindsey:** Sutton Shield for Child's Heaviest Marrow
- Molly Lindsey:** George Edward Frederick Eyston Cup
- Freddie Siebert:** Robey's Cottage Cup
- Olivia Busby:** Miniature Garden Cup (Aged 7 & under)
- Alex Lundyates:** MacKinnon Shield (Most points in the Aged 7 & under Classes)
- Hattie Young:** Miniature Garden Cup (Aged 8 to 11) *and* Maureen Pill Cup
- Thomas Young:** Brownies Shield (Most points in the Aged 8 to 11 Classes)
- Bethany Lundyates:** Jenny Owen Cup and MacKinnon Shield (Most points Ages 12-16)

Thanks!

The Show organisers wish to thank the following:

- Mr Edward Eyston and the Hendred Estate for allowing us to take over the field and for their help and support before, during and after the show.
- Our main sponsors, Adrian and Rachel at The Wheatsheaf
- Other major sponsors, Denis Mulford of DJM Telecom and the UKAEA
- Mrs Ali Eyston for her enthusiastic auctioneering skills that boosted funds more than any previous year

- Adrian Sessions, Mike Harris and Richard Tingley for keeping the marquees and tents secured
 - Dave Harper for the electrics,
 - Mike Harris for also ensuring generators and electrical supplies were maintained
 - Niall Duggan and Andy Fish on PA/announcements
 - Bruno Branson and the Army Cadets for week-end security
 - The committee members and other helpers without whom we simply could not put on such a great event. Thank you everyone.
- If anyone would like to join the committee or help us next year, we would be delighted to hear from you. Please visit us at www.hendredsfamilyshow.org for contact details.

The *Bulletin* needs YOU!

Do you run a club or society? Have you got something to say which might be of interest to other villagers? Have you experiences to share or reminiscences to recount? Or perhaps a funny story or two...!

It's your village magazine, so use it! You can contact the Editor on 833742 or at bulletin@hendred.org.

Are you a budding Journalist?

The Editor would be interested to hear from anyone interested in some work experience writing the occasional article, or perhaps interviewing a local resident. Motivation and enthusiasm are key!

East Hendred Community Centre (Snell's Hall Management Committee)

We welcome Tracy Ballard and Damien Sinden as our new Wardens and extend best wishes to Jane and Martin Acock, who now have moved into their new home at Chipping Norton. We also wish to express our appreciation of the fine work done by Maria Nedelkoff, who has retired after many successful years as supervisor of the Hendreds Pre-School.

Congratulations to the leaders who have found the time and enthusiasm to form a much needed village Youth Group, which meets at Snells Hall on Wednesdays between 7.30 and 9.30 p.m. Thanks also to the Indoor Carpet Bowls Club for changing their sessions to Thursdays (except for the WI evening) to accommodate this venture.

We are sorry to record, however, that the Kick Boxing Club has closed because of dwindling numbers.

Unfortunately, our much admired willow tree became unsafe after being stricken by honey fungus and had to be felled. The opportunity is being taken to reshape several overgrown trees around the hall that are impinging on surrounding properties.

Some overdue remedial work to improve the drainage alongside the fire exit doors and the corner drain in the car park is being undertaken by R & S Construction at the end of September.

As soon as the stage window area has been redecorated the dry cleaned curtains will be rehung.

The Committee Room carpet has been steam cleaned to remove some unsightly stains that were caused by the spillage of beverages (and chewing gum!!) taken into this room.

Phillip Tanner has made an excellent job of replacing the working surface in the Kitchen. This exercise became necessary because unhygienic cuts had been scored in the original surface by persons who seem to be unfamiliar with the use of the cutting boards, which are available for slicing and cutting operations.

Two of the recently purchased lightweight folding tables have disappeared from the Hall. These may have been borrowed without permission and possibly will be returned in due course, but we suspect that they

have been stolen for use at car boot sales. In common with most village organisations, Snells Hall is managed by unpaid volunteers and it is extremely annoying that their efforts to maintain these premises to a high standard is being frustrated by such behaviour.

To finish on a positive note, the Village Computer College at Snells Hall is to be reopened shortly thanks greatly to the sterling efforts by Pauline Gardner and Charles Pappenheim. If anyone is interested in attending the new classes, please contact Margaret Sharp (833367) or Pauline Gardner (833319) for further details.

St Augustine's Sunday Squad

FOR CHILDREN, 4 YEARS AND ABOVE.

We meet every third Sunday in the Rectory Room (Tin Hut) from 10:30, finishing at 11:30.

Come along and 'Join the Club'

COACH TICKETS Adults £13 Children (under 16) £8 Family £26 (1 adult + 2 under 16s)

Tickets available by phoning 833636 or 833367

An unspoilt cathedral city on the edge of the South Downs, Winchester is England's ancient capital and former seat of King Alfred the Great. Today, Winchester combines the best of city life with the freshness of the surrounding countryside. Popular for its [shopping](#) streets and architecture, its floral summer season and quirky open air events, Winchester is most well known for its eleventh century [cathedral](#) and for the [Great Hall](#) which for over 600 years has housed the mysterious Round Table. [Winchester College](#) is the oldest continuously running school in the country, whilst the [Hospital of St Cross](#) - a medieval almshouse - still offers the Wayfarer's Dole to travellers as it has done for more than eight centuries. Home of good food, birthplace of the modern game of cricket, resting place of author [Jane Austen](#) and inspiration to the many craft-makers and artists who live here, Winchester is truly a destination for all seasons.

Traditional Christmas Market: Inspired by traditional German Christmas markets, beautifully lit log chalets will be interspersed amongst the trees in the Outer Close of the Cathedral. The most discerning shoppers will enjoy the wide arrange of high quality and interesting goods on offer.

Skating in Paradise! Don your hat and gloves and head to Winchester's first Christmas ice rink. With an adjoining café bar offering stunning views of the Cathedral, there's fun to be had on and off the ice. Perfect for a family fun day. One hour sessions include free skate hire and fitting. Adults £8 Children (under16) £6 Family Ticket (2+2) £25.

Winchester Cathedral: Winchester Cathedral has its origins in the 7th century, when a Christian Church was first built on this site. Since then it has played a fundamental part in the life of this ancient City and a role in the history of our nation. Adults £4 Senior citizens £3.50, under 16s free

Winchester City Mill: A National Trust property rebuilt in 1744 on an earlier medieval site, the working watermill spans the River Itchen. The mill has a delightful island garden and impressive mill races. The video, children's quizzes (extra activities during school holidays) will keep the family entertained. The shop offers a wide range of National Trust and local goods, including stoneground flour. Adults £3 Children £1.50 Families £7.50

Winchester Military Museums: Six outstanding collections of regimental history, within historic Peninsula Barracks - site of Roman Encampment - Norman Castle - Royal Palace. Further information and opening times at www.winchestermilitarymuseums.co.uk

INTECH: A purpose built, award winning **hands-on interactive science and technology centre for the whole family** with 100 interactive exhibits, which demonstrate the science and technology of the world around us in an engaging and exciting way. A short bus ride from the centre of Winchester. For costs and events see www.intech-uk.com

For further information www.winchester-cathedral.org.uk or www.visitwinchester.co.uk

East & West Hendred WI

The past few months have been as interesting as ever. At our June meeting Eleanor Tims inspired us with her talk about her solo sailing trip to Venezuela and then at our July meeting we were entertained by Briony Newport, who gave a very interesting talk about the Llangollen Musical Eisteddfod. August was our summer garden party in our presidents' garden (as usual we ate like royalty) with a talk by Norman Francis about a local personality Lillian (Lily) Goddard.

Planned future talks include: -

- ♦ October - Planting your garden for the WOW Factor
- ♦ November – Associated Country Women of the World
- ♦ December and January 07 – Christmas and New Year Celebrations for members
- ♦ February – Corsets and Crinolines

In the past of couple of months our trips out as a group have included a day at Denham College (local for us, being in Marcham, but in fact is the National Training Centre for the WI) where we got together with all the Oxfordshire WI's at a Mid-Summer Fayre. We have also joined together for walks around the local landmarks (including a stop for coffee and cake!) and visited a Global Retreat Centre at Nuneham Park. Scheduled for the near future are a visit to Kelsmcott and an evening with Pam Ayres.

We all have the opportunity to make our contribution towards any National Action where the WI take an active interest in matters affecting us all, and aim to make their views known with the object of promoting change.

Locally we are a very social group and really enjoy each other's company. Many of us meet up in small groups to, for example, visit a local cinema or take a trip into Oxford.

We meet at 7.30pm in Snell's Hall, East Hendred, on the Third Thursday of the month. All are welcome so please come along or if you would prefer please contact our secretary by email on jxpol@tiscali.co.uk

SHOE BOXES

Collection for disadvantaged children in Ukraine

Rev. John Hendy (Formerly Baptist Minister in Wantage) plans to be at Snells Hall on Sat. Dec. 2nd at 2pm to talk about the work of the Ukraine Christian Ministries (UCM) (registered charity) and receive filled shoe boxes.

Ideas for suitable contents could be chosen from: small toy, ball, yo-yo, puzzle, soap, toothbrush + paste, hair brush/comb, hair slides, sponge bag, baseball cap, woolly hat, scarf, gloves, socks, tights, doll, bead necklace, crayons, colouring book, note book, exercise book, pencil case + contents, small ornament, picture post card e.g. of London or other places of interest, (but not reading books, playing cards, anything electrical or battery-operated or sweets of any sort please).

Please cover lid and box separately with Christmas paper, secure with a rubber band or ribbon bow, then label with approx. age (anything from baby to teenager), and 'boy' or 'girl'.

UCM are also collecting: Individual (unwrapped) new, small and medium-sized toys such as cars, Action Man, dolls, small craft/construction toys for distribution as gifts at Church parties; also walking sticks; baby clothes; towels, blankets, hearing aids; Zimmer frames for orphanages and old people in the Ukraine.

Last year a magnificent total of around 300 shoe-boxes was collected, and sent out to the Ukraine via the charity UCM

(Any queries to 01235 833367)

Reminiscences from Heritage Archives

*The Denniss Bakery, The Dairy, Millers, the Spar Shop and Dukes Orchard with Post Office Perambulations.
The end of another era....*

Planning approval for building changes on the site of what is now Dukes Orchard, coupled with the death of both Kate and John Miller in recent months highlights a further development to that area of the village bounded by the south end of White Road, Orchard Lane, and High Street and introduces perhaps some little known historic locations for the East Hendred Post Office.

For some generations the Denniss family ran the village Bakery at the South end of the White Road. They had accumulated considerable property in that triangle. The last John Denniss was only 65 when he died just before the Second World War leaving a wife and 3 daughters. The business continued for a few more years but the death of one of those 3 daughters Annie, in childbirth accelerated the sale of the business.

The other **two sisters** both made homes in what is now Orchard Lane (once Wyatts Lane). One sister Winnie married Mr Jim Jackson; the second, Margaret, Policeman Ron Hitchcox; the third Annie, had married Mr Ron Carver whose parents lived in what is now Peelers in Chapel Square.

The Old Bakery

Mrs Dennis and Mrs Hitchcox (Senr.) went to live in what is now Georgian House, where in those days one front door led to two staircases.

The Miller family originally come to Hendred as evacuees and for a while lived at what had been the Post Office next door to the Telephone exchange in the cottages north of Castle's shop in High Street.

Orchard Lane

The Post Office and Telephone Exchange for years had been run by Mr and Mrs Legge. After Mr Legge died the Post Office side was taken on by Mrs Daisy Stibbs, wife of Frank the builder in Cat St., until ill health forced her to give up.

The High Street with Baker's Cart and no Telephone Box

The Millers took on the shop facility from the Denniss family. It grew from the one room in the West corner, then included the installation of the Post Office in what had been a living room, and use of the old bake-house as a store.

Mr Miller (Dusty), Nana Miller and Jean their daughter lived there, with John away from home. Michael (Bill) the youngest son was at school.

Mr Miller introduced a milk round into the business but post war met a tragic death on the railway line at Steventon.

John Miller had been based in Oxford where he was working shift. John came back into the Hendred scene. With the dairy round and his deliveries of vegetables etc, the shop business finally outgrew the space available. An attempt to increase space by internal modifications was made followed by the eventual demolition of the building as being unsafe.

In those days planners encouraged things new and generally building materials were in very short supply. Cedarwood buildings were available and in vogue, so the 'Olde Worlde' village had a non traditional building again: 'The Supermarket Store'.

Heritage Reminiscences continued

The view north from Champs Chapel to the Spar shop including the pair of cottages to be demolished soon after

John also built a large garage/ barn at the back of the shop almost where the old Plough Inn had been, and finally moved and converted the single storey building to living accommodation for Nana Miller in the garden at the rear.

John was well known for the long hours he kept, he was always on the go.

John and Kathleen Miller operated the shop and dairy with the Post Office reverting to High Street again, this time to Castle's Stores neighbouring the Eyston Arms.

Katie as well as being a Mum now and living at Rowstock, helped with the Guides. Soon

John & Kate Miller outside the shop on their wedding day

another business enterprise called in Wantage, - books were the prime interest there but later printing etc as well.

In turn the ownership of the SPAR shop, as it became known, was taken over by the Reynard's and then the Browns.

With the closure of Castle's stores the Post Office returned again to the White Road store under the management of Mr Brown.

Ill health forced Mr Brown to make other plans and the outcome for the site was reversion to homes again. The small terrace on the White Road and two bungalows in place of the storage barn in what is now known as Old Road.

The site of the Bakery today

Meanwhile the Post Office walk-about was not complete.

First it went to Hendred Stores, then a very temporary home in the Bar at Snells Hall; and for a while it was in a caravan. Then it was back to Hendred Stores again where it's initial area was much smaller even than it is today.

Wychwood Homes are the new owners of the Duke's Orchard site and we understand one of the buildings they intend to put up will be thatched but it will probably be a long time before the area looks like this again.

John Stevenson from the Heritage Archives

East and West Hendred Cricket Club

The onset of Autumn allows the cricketers of East & West Hendred the opportunity to reflect on what has been without doubt the best ever season to date.

The 1st XI under the captaincy of Ian Clewley gained promotion from league

division 3 as runners up and were narrowly beaten in their cup semi final. Jonathan Francis top scored with three "hard hitting" centuries and Matty Turner took the most league wickets with best figures of 6 for 20.

The 2nd XI in only their third season won the club's first ever

Francis was appointed Man of the Match scoring 59 not out.

1st XI 2006

2nd XI 2006 - Centenary Cup Winners

trophy, the Centenary Cup, introduced to celebrate 100 years of the Oxfordshire Cricket Association. Duncan

Three weeks later the team secured the club's second trophy of the season as champions of division 9,

East and West Hendred Cricket Club continued

Captain Peter Baring top scoring with a century and best bowling figures of 4 wickets for 3 runs in one match.

As a direct result of the club's "investment in youth programme"

Junior Award Winners 2006

this summer has seen a considerable expansion in junior cricket activity. There have regularly been around 60 junior cricketers on most Wednesday evenings throughout the summer on the Sports Ground receiving training from qualified coaches and adult team members. U11s, U13s, and U15s all played competitive games in

their respective Oxfordshire leagues for the first time ever, with the U11s reaching the quarterfinal knockout stages. The home season ended on August Bank Holiday Monday with an under 30s side against the geriatrics followed by a BBQ and junior presentations.

Many thanks are due to those who organised and carried out preparation and improvements to the ground (including the building of the new sightscreens), made teas, coached youngsters, and fulfilled the clubs O.C.A. umpiring commitment. Special thanks go to Trevor Bacon for his ten-page club history booklet covering the period from 1837 to the present. This currently incomplete booklet is a result of interviews and information provided from several village people; if you have any further details or would like a copy contact Trevor Bacon on 833403.

Plans for the winter include progress towards E.C.B. "Clubmark" accreditation, winter machinery servicing, and completion of a new digital scoreboard to improve facilities for the 2007 season. In addition to our elevated league position in O.C.A. divisions 2 and 8, it is hoped to increase friendly fixtures next season in line with demand. Indoor nets start mid February 2007.

If you would like to know more about the club call Ivan Mulford on 820316.

The Boneshaker

East Hendred's duathletes were out in force on Sunday 17th September, taking part in The Boneshaker – a duathlon held in and around the villages of Ardington, Lockinge and East Hendred.

The Boneshaker, which consists of a 5k run, followed by a 20k cycle, followed by another 5k run, is held in September each year, and attracts entries from all over the country. Competitors can either tackle the whole course solo, or can enter as a team – each member tackling a leg of the course in a relay style.

The run part of the course takes competitors around Ardington and Lockinge, with the tough cycle section looping up over the Ridgeway, back towards Scutchamers Knob, with a fast drop back towards Ardington Sports Field. Beautiful sunny weather blessed the event, which drew a good crowd to enjoy the race.

The event was won by Jez Cox of St. Albans, in a time of

1:25:36, with Hanna Thorner of Letcombe Regis winning the women's race in 1:34:57. The team race was won by The Three Amigos, based in East Hanney, in a time of 1:26:26. The Three Amigos, representing Miele UK in Abingdon, also picked up the Marketing Practice trophy for the first company team to finish the race.

East Hendred was well represented amongst the competitors, with **Charles Clayton** (pictured right) and **Tim Pagett** both achieving good times in the solo events. Many villagers opted to form teams, with **Chris Robson, Pete Callard, Pip Avery, Keith Mitchell, Fergus Nicol, Ian Rees, Ian Matthews, Cassandra Dinkelman, James Lenane, Liz Snook, Richard, Helen & Dennis Waller** all completing the course and posting respectable times. Many of these competitors had never tackled an event like The Boneshaker before, and all were tired but delighted with

their performance! The highest placed East Hendred athlete in the team event was Jerry Bird, who cycled for the "Builders

Mates" team, which achieved a creditable eighth place.

Two of the organisers and many of the marshals also live in East Hendred, and several of the competitors commented on

what a friendly and helpful bunch we all are in these parts! Competitor's comments included "cracking race, super course and nice atmosphere", "the marshals were all friendly and full of encouragement", and "this was my first duathlon, and definitely won't be my last – I'm hooked!" Praise was also given for the beautiful location of the run and the cycle, and the hospitality at the Wheatsheaf, where many of the competitors adjourned for a well deserved late lunch.

Profits from the event will be donated to local charities, which include The Hendreds Primary School and 1st Cuckhamsley Scout Group.

Thanks to everyone who competed, helped, or came along to support the competitors. The Boneshaker will be back in September 2007, so if you fancy taking part next year you have plenty of time to start your fitness campaign!

Planning Matters

Application to Oxfordshire County Council re change of use to open storage and screening of top soils at Greensands, Reading Road. The Parish Council objected to this application on the basis that the proposed use would significantly increase the level of HGV movements on roads that were considered to be unsuitable for HGV use. The Council also considered that it was an inappropriate location for the proposed use, particularly alongside other unapproved changes of use elsewhere on the site. The County Council agreed to reject this application

EHE/14436/3 Garage and workshop/store Kings Meadow Cottage, Cat Street: The Council agreed to make no objection, but advise that the development was next to a listed building and that care should be taken not to cause damage to it. The District Council has since approved this.

EHE/11004/4 New dwelling adjacent 63 Coulings Close The Council expressed a number of concerns and reservations on this proposed development, particularly about the proximity of this to No. 63 in terms of its rather cramped location, and loss of privacy, visual intrusion (policy D2) for No. 63. The District Council has subsequently agreed to approve this application.

It was agreed to make no objection to the following applications:

EHE/19552 Roof conversion with roof lights, Ascension Cottage, Horn Lane.

EHE/14552/1 Enlargement of dormer window, Amhurst, Horn Lane

EHE/14552/2 Alterations to dormers, Amhurst, Horn Lane:

EHE/12795/2&3 CA Demolition of flat roof etc at 5 Mount Pleasant

EHE/10539/9 Alterations at St. Amand's School

EHE/19656 Change of use from one to two dwellings, 1-2 Mount Pleasant Cottages, Church Street:

EHE/5816 Erection of freezer compartment and enclosed walkway

EHE/3119/3-X Replacement dwelling Icknield, Newbury Road It was agreed that there was no objection to a single dwelling of the same scale as before

EHE/521/4 Erection of new Dwelling at Fordybrook: The Council has objected to this application since the earlier rejection of an appeal for two dwellings on this site, one of which was located close to the same site as the current application. In addition the proposed access is very close to the existing Fordybrook property and it was considered that any traffic to the new property would adversely affect the amenity of Fordybrook itself.

Parish Council

Council meetings are held in Snells Hall at 8pm on the second Tuesday of each month. An Open Forum, in which parishioners may ask questions, starts at 8:30pm.
